manuscript for publication in your amazing journal has been approved ethically by Research Ethical Committee.

Dear, Editor in Chief of the international journal of medicine.

Dear, Editorial Board of the international journal of medicine..

Good morning, I hope you are fine.

I am **Dr.Sharfi Ahmed**, Head of Research Ethical Committee, Faculty of Medicine and Health Sciences, Omdurman Islamic University. Dr.Wael Mohialddin Ahmed Doush informed me he submitted his original article entitled:

(Clinical impacts of the Sudanese anatomical variations in relation of the recurrent laryngeal nerve to the inferior thyroid artery)

to your amazing journal for publication consideration and you requested a local Research Ethical Committee approval latter for his manuscript to be published. After Research Ethical Committee meeting we investigated and revised Dr.Wael Doush original article, I confirmed for you he has been approved ethically to use the Sudanese cadavers after they have written and signed consent to publish this original article for purpose of research and collected his medical data from the international medical websites and medical literatures.

Hence, we accepted original article of Dr.Wael Mohialddin Doush to get Research Ethical Committee approval latter. Furthermore, we recommended giving him consent for publication of his original article manuscript in your respected international journal of medicine.

Kindly, if there are any enquiries do not hesitate to contact me. Thanks a lot for your wonderful cooperation and continuous support.

Best regards,

Dr.Sharfi Ahmed, MD
