Sub: Submission of Original Research Article

Sir/Madam,

I herewith submit a research paper entitled, "**Liquorice (*Glycyrrhiza glabra*) Hydroethanolic Extracts Effectively Alleviate Thioacetamide -Induced Hepatotoxicity and Hemotoxicity in Experimental Rats through Their Antioxidant Nature.**" in favor of publication in '*International Journal of Pharmacology and Toxicology*'. The work presented in this paper is original, carried out by all the authors given in the manuscript and on behalf of all authors, I (*Alaa Behairy*) hereby declare that the manuscript is not published elsewhere, in any language, and is not under simultaneous consideration by any other journal. We state that the work has no potential conflicts of interest.

Thanking you;

Sincerely,

✉ Alaa Behairy,

Demonstrator of Pharmacology, Benha University.
